Topic Activities

- Debate/Discussion

Debate/Discussion

The People who lived on the northern Great Plains in the ancient past were both gatherers and hunters. Complete and discuss the following questions with a partner, in a small group, or with the entire class.

1. Describe the types of hunting done by the earliest People.
2. What types of products were gathered by the People? Explain why these products were considered as important as meat.
3. Describe the evolution of the hunting tools used by ancient People. Compare their methods of hunting with methods used today.
